A LETTER FROM THE PRESIDENT

Welcome to Global University!

All of us here at Global are pleased to learn of your interest in our school. We are delighted that you are seeking to prepare yourself for service in God's harvest field. Our catalog provides information concerning who we are, our mission, history, and policies and procedures, as well as our various plans of study. We trust you will identify a program of study to help you prepare for God's call on your life.

A unique aspect of our program is the emphasis on applied learning and ministry through our service learning requirement (SLR). This requirement allows learners to move more rapidly from theory to practical application of what they are learning. In other words, learners benefit from the integration of academic rigor with practical application throughout their studies.

Global University is comprised of four schools providing a seamless approach to study, ranging in academic level from certificates (initial evangelism and discipleship courses) through graduate degrees. The four schools are School for Evangelism and Discipleship, Berean School of the Bible (offering adult continuing education courses to equip people for church leadership), Undergraduate School of Bible and Theology (offering associate and bachelor degrees), and Graduate School of Theology (offering master of arts, master of divinity, and doctor of ministry degrees).

Catalogs for each school are available on our website at www.globaluniversity.edu.

Global University's learners benefit not only from increased knowledge through studying course content but also from spiritual growth and increased discipline. Our instructional design helps them gain skills for a lifetime of learning, service, and ministry. Students and alumni fill positions of ministry as teachers, pastors, and missionaries. Others serve as local, district, and national church leaders. They actively work in both open and sensitive locations, fulfilling God's call on their lives to impact eternity where they are and wherever God leads them.

Should you enroll and study with Global University, you will not be studying alone. Instead, you will join students studying in literally every time zone of the world. We operate through a worldwide network of 232 offices serving over 300,000 students. We are committed to equipping people for service in churches, schools, and other ministries. As you study, rest assured our extensive university stands ready to assist you in any way we can.

God bless!

Gary L. Seevers Jr., PhD
President

A LETTER FROM THE PROVOST

Wherever you are in the world, sincere greetings!

It is my pleasure to serve as the provost of Global University. Dealing with academic issues around the world requires an understanding and perceptiveness of regional and national differences. Those differences are not limited to education; they appear in every aspect of life and work. In traveling the world and meeting our Global students and alumni, I am impressed with their commitment to excellence in ministry in all cultural situations. As I observe these people I can usually see the intersection of God's call, their commitment, and a Global University education. The results are astounding: people are saved, churches are started, para-church ministries are established, and bodies are healed. The Lord operates through thousands of men and women who have come through Global University's programs.

Global University allows you to start wherever you are in your own educational journey and pursue a broad range of learning goals. Do you want basic instruction as a new follower of Christ? Then the School for Evangelism and Discipleship's Christian Life and Christian Service series of courses would benefit you. Do you want to study for a ministerial career, a lay leadership role in your church, or your own spiritual enrichment? The Berean School of the Bible's institute-level programs will serve you well. Do you want an accredited undergraduate certificate, diploma, or bachelor of arts degree? Check out the programs offered by the Undergraduate School of Bible and Theology. Are you prepared for post-baccalaureate studies? The Graduate School of Theology offers master of arts degrees, a master of divinity degree, and a doctor of ministry degree. Global is one university with four schools, so you will have a wide-ranging menu of options from which to choose. And whichever program you select, you can be sure it will integrate faith and learning from a Pentecostal evangelical perspective.

Our name—Global University—accurately describes us as a worldwide distance-learning school. Our accreditation, both national and regional, assures you of a quality education. As you enter studies with Global University, you join a student body in every time zone and nearly every country of the world. You can study where and when you want to at extremely affordable costs. You will have access to faculty via postal mail or e-mail, and our online library resources provide the opportunity to investigate a subject as deeply as you wish.

Welcome to the Global University community. We are students, faculty, staff, and administrators who are all involved in “impacting eternity by winning the lost and training the found—everywhere.”

God's blessings on you,

John G. (Jack) Nill, PhD
Provost

GENERAL INFORMATION

Foreword

The population of the world is increasing at an unprecedented rate. There is an explosive increase in knowledge, and people are eager to learn. Global University has responded to this need by developing its own instructional tools in print, audio, video, CD-ROM, and online delivery formats that take the school to the student.

By utilizing the tools of contemporary educational technology, Global University is expanding the resources of the church. Global University's courses are applicable for distance education instruction, school classrooms, learning groups, and individual study.

Qualified writers from many nations write and develop the course materials that are then distributed around the world in many languages. This contributes to fulfilling Global University's motto: Impacting eternity by winning the lost and training the found—everywhere!

History

Global University has a distinguished heritage spanning almost six decades. Its rich history is a blending of the achievements of two distance education institutions. This dual foundation of experience adds academic strength to the entity created by the merger of ICI and Berean Universities.

The Assemblies of God Fellowship recognized that not everyone who desired ministerial preparation could attend a residential Bible training institution. Therefore a distance education program for ministerial candidates was begun in 1947. This program developed into the Berean School of the Bible by 1958 and was headquartered in Springfield, Missouri.

In 1967, International Correspondence Institute (ICI) was founded under the auspices of the Division of Foreign Missions. This second distance education school was designed to provide evangelism, discipleship, and workers' training courses as well as bachelor's degrees to students all over the world. George M. Flattery, who first envisioned the school, was its founding president. Its offices moved from Missouri to Brussels, Belgium, in 1972 and remained there until 1991.

Both Berean School of the Bible and ICI grew rapidly, adding courses and programs to meet the growing needs of their students. Berean, which was utilizing courses developed by ICI for its degree programs, became Berean College in 1985 and Berean University in 1995. ICI moved from Brussels to Irving, Texas, in 1991 and became ICI University in 1993.

Both institutions remained faithful to their respective missions. Similarity in educational approach, mission, and services made a merger of the two institutions logical. Both universities were making significant advances in electronic delivery via the Internet and other technologies. Rather than

duplicating costly delivery systems, a united university would result in better stewardship of technological and human resources. Thomas Trask, general superintendent of the Assemblies of God at that time, and L. John Bueno, executive director of World Missions at that time, agreed to initiate the merger.

Global University now has four schools: (1) School for Evangelism and Discipleship, (2) Berean School of the Bible, (3) Undergraduate School of Bible and Theology, and (4) Graduate School of Theology. All of these schools of Global University are truly global in outreach. Students at home and abroad enroll in all levels of study. Global University works closely with Assemblies of God World Missions, US Missions, and other divisions of the General Council.

Global University continues to write new chapters of history as it impacts eternity by winning the lost and training the found—everywhere! This means using various media technologies through anointed courses, curricula, consultation, and cooperation, equipping people to be Christ's disciples with the help of God to His glory and the expansion of His kingdom.

Mission of Global University

Global University is a Christian university in the Pentecostal tradition that:

- integrates education and service through a worldwide network for student support.
- provides access to ministerial training from adult continuing education to the graduate level.
- produces curricular materials in multiple languages.
- serves the local church and Christian community through evangelism, discipleship, and leadership training through nonresidential distributed learning methods.

Doctrinal Statement

The doctrinal position of Global University is expressed in the following statement of faith.

We believe:

- the Bible is the inspired and only infallible and authoritative written Word of God (2 Timothy 3:16).
- there is one God, eternally existent in three persons: God the Father, God the Son, and God the Holy Spirit (Deuteronomy 6:4; Matthew 28:19).
- in the deity of our Lord Jesus Christ, in His virgin birth, in His sinless life, in His miracles, in His vicarious and atoning death, in His bodily resurrection, in His ascension to the right hand of the Father, in His

personal, future return to this earth in power and glory to rule a thousand years (John 1:1).

- in the blessed hope—the rapture of the Church at Christ’s coming (Titus 2:13).
- the only means of being cleansed from sin is through repentance and faith in the precious blood of Christ (John 14:6).
- regeneration by the Holy Spirit is absolutely essential for personal salvation (Titus 3:5).
- in water baptism by immersion (Matthew 28:19).
- the redemptive work of Christ on the cross provides healing of the human body in answer to believing prayer (1 Peter 2:24).
- the baptism in the Holy Spirit, according to Acts 2:4, is given to believers who ask for it.
- in the sanctifying power of the Holy Spirit by whose indwelling the Christian is enabled to live a holy life (Galatians 5:16–25).
- in the resurrection of both the saved and the lost, the one to everlasting life and the other to everlasting damnation (Revelation 20:11–15).

Nondegree Programs

School for Evangelism and Discipleship

Evangelism courses present a basic understanding of the gospel for those seeking to know the saving truths of God's Word. These courses are available for children and adults. The *Christian Life Series* and *21st Century Discipleship Series* help new believers explore foundational topics on Christian living, including prayer, Bible study, and worship.

The *Christian Service Series* provides an in-depth approach to Bible study and application through teaching, spiritual gifts, witnessing, discipleship, and other important topics. These courses are suitable for discipleship training at the local church level. They have been translated into over twenty languages, including Spanish and French, and are available online at www.globalreach.org. Students can enroll in a Christian Service Diploma Program by contacting student services at Global University and enrolling with the School for Evangelism and Discipleship (SED); however, no academic credit is given for completing these courses.

Berean School of the Bible

Berean School of the Bible (BSB) is the adult continuing education program of Global University. The courses are ideal for personal enrichment as well as for ministerial and church leadership training. The General Presbytery of the Assemblies of God has approved the Ministerial Studies Program of Berean School of the Bible to fulfill the educational requirements for ministerial credentials. Ministerial credentials are issued by the General Council Credentials Committee upon recommendation of the appropriate district; ***ministerial credentials are not issued by Global University.***

Individuals who serve in churches other than the Assemblies of God may substitute non-AG ministerial studies courses for the organization-specific courses in order to fulfill the requirements for a diploma in ministerial studies.

Although Berean School of the Bible courses are not college degree-level courses, transcripts are maintained and diplomas are offered to validate completion of BSB studies.

Diplomas are offered in Ministerial Studies, Ministerial Studies with Leadership Honors, Bible and Doctrine, Church Ministries, Royal Rangers Organizational Leaders, and Native Leadership Development. Certificates are awarded for each of the three levels of ministerial studies. Consult the Diploma Requirements section of this catalog for specific requirements for each of these diplomas.

Berean School of the Bible also offers programs in Spanish. For more information please visit our website, call, or write to request a Spanish catalog. (Students must complete at least 50 percent of their courses in the same language in which their diploma or certificate will be issued.)

Academic Affairs Committee

The Global University Academic Affairs Committee is composed of the provost, the vice provost, the executive vice president, the vice president of Global Operations, the deans of the schools, and the directors of academic service areas.

The primary function of the Academic Affairs Committee is the oversight of the educational standards and procedures that apply to the various Global University curricular programs. The Academic Affairs Committee is responsible for decisions that affect the curricula, the faculty, instructional methods and delivery, and graduation requirements.

Of special concern to the Academic Affairs Committee is the recognition of Global University's academic credits, diplomas, and degrees. The committee seeks to maintain the recognition by assuring that instructional materials and programs meet high quality standards. To this end, the committee reviews and approves all educational materials in print, audio, CD-ROM, video, and online delivery formats.

Regional and National Directors

Global University operates worldwide through a network of regional offices that assist national offices. Regional and national directors promote, supervise, and coordinate the work of the university within a designated geographical area. They, along with the national office staff, encourage students to pursue and achieve academic excellence.

The Global University Board of Administration and the regional directors form the Global Leadership Council. This council, with the assistance of the International Office staff, meets biennially to review past achievements and develop procedures, goals, and strategies to promote continued improvement and growth.

University Faculty

Individuals who serve Global University as faculty are included in the following two categories:

Resident Faculty

Global University resident faculty are those academically qualified individuals serving at the International Office whose activities consist primarily of writing, developing, and facilitating courses.

Adjunct Faculty

Adjunct faculty are academically qualified individuals throughout the Global University network who periodically write, facilitate, and evaluate Global University courses in field settings or serve as tutors for students studying independently with the university.

Purpose of the School for Evangelism and Discipleship

The purpose of Global University's School for Evangelism and Discipleship (SED) is to reach the lost. Evangelism materials range from comic books and children's curriculum to books designed to reach adults. Used in more than 175 countries in more than 130 languages, these materials are very helpful for evangelism and discipleship needs. The Christian Life and 21st Century Discipleship Series are ideal for group or individual studies. The Christian Service Series provides training that equips believers to fulfill the Great Commission in their communities.

SED, a school of Global University, exists to:

- prayerfully function with vision to be a part of fulfilling the Great Commission of Jesus Christ.
- engage in an effective worldwide distribution method of evangelism, discipleship, and training materials.
- address the needs of the local church.
- produce effective products by designing and developing innovative and practical tools for learning and growth.
- build relationships between individuals, groups, and churches worldwide.

EVANGELISM

The evangelism program is designed to introduce the Christ of Scripture to an individual seeker. The goal is to answer questions and provide basic information about humankind's need for a Savior. More than 100,000 people report annually that they have accepted Jesus Christ as their personal Savior through the study of Global University evangelism courses. Available in print and audio versions, these evangelism courses are effective for reaching people of various literacy levels. Many courses also have video supplements that add interest and motivation for study. Evangelism and Discipleship materials are available as free downloads in more than 20 languages at: www.globalreach.org.

The Great Questions of Life

Did you ever wonder what life is all about and what happens after death? This study is designed for people who want to know more about the nature of God and what is happening to the world.

Highlights in the Life of Christ

Follow the life and ministry of Jesus from His birth to His resurrection. This series of six lessons leads a person on a journey with Christ through the Scriptures, emphasizing key points and events of Christ's life.

Pathways for Turbulent Times

This evangelism tool was developed especially to reach people with a philosophical, intellectual, and materialistic mind-set. The final chapter presents Jesus Christ as the answer to humanity's quest for satisfaction and fulfillment in life. It is excellent for university student outreaches.

Challenge to Encounter

How can I know anything for sure? Can a person reject Jesus Christ without honestly considering His claims? Is there a God? This apologetic was written to engage university students by providing a basis for an intelligent encounter with Jesus Christ.

We Hear from the Prophets

A precursor to the Worldview Series, *We Hear from the Prophets* examines the lives of eight prophets. Careful study of the course and obedience to the words of the prophets help students know how to submit to God. This course has been used effectively to reach people of varying beliefs.

WORLDVIEW SERIES

The Worldview Series takes a look at nine popular religious perspectives and presents humanity's need for forgiveness and salvation. The series is written for those who seek answers about God based on different worldviews, such as Islam, spiritism, materialism, postmodernism, Eastern mysticism, and Catholicism. These courses are especially geared to assist the local church in reaching its neighbors with the gospel message.

Is Jesus God?

If the testimonies of the world's great leaders and schools about Jesus are correct, He is the most unique person to ever live in this world. This apologetic is designed to provide atheists and agnostics with solid evidence for Jesus' divinity and to lead to them to faith in Christ.

The Right Path

Many Muslims are searching for the truth about God. This book can assist them in finding peace with God.

The Greatest Miracle

Is there more to religion than rites and rituals? Many Christians trapped in religious practices long to know Jesus in a personal way. This booklet describes the greatest miracle—knowing Jesus personally.

Searching for Answers

Some religious people need to know there is only one God. He is a personal God who cares for them and has a plan for their lives. This booklet answers many questions, such as what is the truth about God, what is life all about, and what happens after death?

I Am God

New Age thinking is popular in American and European societies. This booklet discusses the main tenets of New Age belief and challenges proponents to put their beliefs to the test.

The Spirit World

Many people fear unseen spiritual forces. This booklet helps people within an animistic worldview to discover new life in Christ.

Freedom from Karma

Many people believe that much of what they experience today is tied to the past. This booklet illustrates how those who believe in Karma can find peace through the love of Jesus Christ.

Absolutes or Not

We live in a postmodern era in which long-held assumptions, traditions, systems, and beliefs are challenged. This booklet helps postmodern thinkers evaluate the ramifications of their worldview.

The Counterfeit Wealth

Many people believe that materialism will bring happiness. What brings true happiness to a person's life? This book demonstrates that knowing Jesus is the only thing that brings joy.

DISCIPLESHIP

21st-Century Discipleship Series

Global University's three-volume 21st-Century Discipleship series is best used as a supplement to the Christian Life Series. Lessons can be chosen to enhance any discipleship study.

- This series consists of three books with thirteen lessons each. New believers who study one lesson per week will finish the entire course in just thirty-nine weeks.
- Each lesson is written by an experienced pastor, missionary, or Christian leader.
- All lessons are Bible-based and practical and will expose new Christians to the truths they need to know for spiritual maturity and growth.
- Every lesson provides key Scripture verses to learn and a helpful self-test so new Christians can evaluate their comprehension of the material.
- The lessons will bless new Christians with the joy and adventure of discipleship.

For more information on starting a study group and using 21st-Century Discipleship courses, call the School for Evangelism and Discipleship at 1-800-443-1083.
